## **KDOHUB** Novel Coronavirus (COVID-19) Frequent Questions and Answers

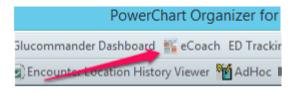

Our Infection Prevention department has produced a COVID-19 Questions and Answers document. There are answers to questions ranging from the basics, to transmission, testing, protection, treatment, and more. Each thoroughly researched answer sites CDC and other sources with many links to additional information.

Clinical staff now have access to this document from right within the EMR. The full FAQ, and each of the individual questions and answers is accessible and searchable by opening eCoach in PowerChart or FirstNet.

To access eCoach in the EMR, you will find a button on your toolbar. In some cases, you may need to use the "View" menu at the top of PowerChart or FirstNet.

The Button in PowerChart in the "Nurse" role.

You may need to expand a section to see the eCoach button:
